

Dear Bright Beginnings NYC Parents,

May has been an excellent month here at the preschool! We had an absolutely lovely time during our Mother's Day brunch and are ready to welcome the summer with open arms. Before we jump into our last month of the school-year (crazy we know!) let's reflect back on all of our favorite moments from May.

Preschool

The Friends had a super snazzy time learning about all things clothing. To begin the fashion festivities, the Big Friends explored how raincoats keep us dry in spring showers by soaking different fabrics. Then, the Friends learning got radical as we traveled to the 90s and laced a pair of jeans together. After our denim discoveries, the Friends went on an adventure and

studied traditional Mexican clothing by creating our own unique huichol designs using beads. To wrap things up, the Friends took a closer look at what artists wear to work by creating their own smock. Adding to our funky findings, the Big Friends continued their letters studies with the uppercase and lowercase letters R and S! Our favorite

letter activities this month were measuring our classroom toys using a ruler, building our own high speed ramps, and feeding a super hungry snake some tasty numbers. Awesome work Big Friends!

The Little Friend crew had just as much fun keeping up with the trends throughout May! To kick off our stylish studies, the Little Friends learned more about each

season and the clothing that goes with them by designing our very own cozy fall sweaters. Next, the Friends took a far out adventure and traveled back to the 70s, 80s, and 90s, and

learned what people wore in each decade with our funky geometric shirt collage. After that, the Friends purchased a ticket around the world and discovered clothing trends from other countries, including creating our own sari's! Finally, to tie everything together, the Friends took a closer look at the uniforms we wear to work and explored how astronauts keep their bodies safe while walking on the moon. On

top of our high fashion fun, the Little Friends also covered the letters R and S! A few highlights from our letter studies included our R is for Robot Crafting Dice Game, researching rocks and how they're made, and sequencing a story about a tasty strawberry for letter S. Way to go Little Friends!

We are ready to round out our school-year with an awesome theme: Professions! The kiddos loved learning about the different kinds of clothing our mommies and daddies wear to work and have been really building up their medical experience with doctor games at the playground (all of the teachers have broken their legs multiple times but fortunately have been healed by band-aids, water, and coffee). Throughout June, the Friends will study jobs that help animals, the different types of scientists we can be, and all of the important people who keep our community up and running. We're ready to get working come June!

After-School

The After-Schoolers kept just as busy during May! Our After-School pals were super excited to show us the Mother's Day gifts they made for their moms and are ready to head into their last month of Pre-K. Some of our favorite moments from May included watching a rainbow walk from jar to jar, playing an epic game of keep away with a balloon, and painting with bubbles. We also loved our high flying Superman yoga adventure and making bags magically explode during science. Awesome job After-School!

Housekeeping

We have a lot of exciting things happening in June! First, Bright Beginnings will be holding its annual picture day on Friday, June 7th. We will be snapping a class photo on our way to the playground. No stress or pressure, but if you'd like to dress your little one up for that day you can. It is completely optional.

Next, Bright Beginnings will be holding its annual Father's Day brunch on Friday, June 14th! Mother's Day was a huge success and we want to be sure to give dad's their own special time too. We will be serving breakfast goodies, juice, and coffee from 8:30-10:30, so feel free to

stop by at any point during that time frame. We'll see you then dads!

We will also be throwing our end of the year bash on Friday, June 28th! The Friends will celebrate the hard work they have been putting in this school-year with lots of fun crafts and games. This is a kiddo only party, but we will be sure to send you lots of pictures of all the festivities via Brightwheel. We're ready to party come the 28th!

Speaking of summer fun approaching, we are getting everything prepped for the hot and sunny days that lay ahead of us. With that in mind, please send in a bottle of sunscreen with your child's name on it for their cubby. We do require parents to put it on prior to preschool arrival, and we will reapply before our afternoon session. We're

looking forward to lots of fun in the sun!

Finally, just as a friendly reminder, tuition is due no later than the 10th of every month. Please be sure to drop off your checks in a timely manner to help keep our systems organized :). Thank you in advance!

Important Dates:

-June 7th: **Picture Day.**

-June 14th: **Father's Day Brunch. 8:30-10:30**

-June 28th: **End of the Year Bash**

May is in the books! We are so excited to wrap up our academic school-year on an amazingly high note and want to thank all of the Bright Beginnings NYC families for their continued support and kindness. Teacher appreciation week was so special because of all of you and we are so lucky to have such a lovely parent community in our corner :). As always, please feel free to catch us at the door or to send over an e-mail if you have any ideas, questions or comments. Here's to June!

Sincerely,
Bright Beginnings NYC
